

**Analysis and Applications:
A Conference in Honor of Elias M. Stein
Princeton University, Princeton, New Jersey
May 16-20, 2011**

Speaker: Duong Phong (Columbia University)

Date/Time: Monday, May 16, 2011 / 2:45-3:45 pm

Talk Title: Singular oscillatory integral operators

Abstract:

This will be a discussion of some problems related to estimates for singular oscillatory integrals and generalized Radon transforms. The opportunity will be taken to reminisce about Eli Stein, as well as describe developments in the subject, many of them due to him or people directly influenced by him.
